

HAND-PICK YOUR WORKPLACE SAFETY POLICY

THE FUTURE OF EMPLOYEE HEALTH & WELLNESS IS AS EASY AS 1,2,3
MIX & MATCH OUR CORPORATE SOLUTIONS:

1 CORPORATE DRUG TESTING | FACTS

Substance abusers cost their employers

300%
more than sober workers.

Corporate drug testing can be applied for

Workplace Safety Programs

Random Drug Testing

Post-Accident Drug Testing

Corporate testing through our nationwide network of thousands of collection sites is an effective way to keep your company productive, safe, and drug-free.

BENEFITS

NATIONWIDE LABORATORY NETWORK

Find a clinic within 15 minutes of your workplace for MRO reviewed results.

HIPAA-COMPLIANT PLATFORM

Gain 24/7 access to your own confidential e-platform.

YOUR TESTS DO NOT EXPIRE

No expiration, no worries. Order any time and test throughout the year.

OPTIONS

5

5 Panel Laboratory Drug Test

10

10 Panel Laboratory Drug Test

12

12 Panel Laboratory Drug Test w/ Alcohol

DOT Laboratory Drug Test

2 BACKGROUND SCREENING | FACTS

Each new hire costs up to

\$7000

in onboarding costs,

which makes pre-employment background checks a sound decision.

Background screening protects your company culture and helps your organization be more successful.

BENEFITS

FIND CRIMINAL HISTORY RECORDS

Learn of prior convictions via certified registries before extending an offer letter.

DETERMINE ELIGIBILITY TO WORK

Ensure applicants have the proper credentials to work for your company.

CONTACT & VERIFY REFERENCES

Hear what others have to say about your candidates before making a final decision.

OPTIONS
