### MEETING OF THE MINDS.

Like you, our goal is to excel at what we do. Confirm BioSciences is a trailblazer in supplying health and wellness testing kits and laboratory solutions. Our products and services are innovative, reliable and cost-effective. We share your corporate values.

Confirm BioSciences is a global supplier of millions of drug tests to every imaginable industry. We bolster businesses of any size and owe our reputation to our diverse clientele.

### WE SHATTER THE STATUS QUO.

Our thought leaders in Research and Development invent groundbreaking ideas and manifest them into our full listing of patent-pending products and services.

### WE ACT & SPEAK IN EQUAL MEASURE.

When we work with our customers, our goal is to make your lives easier. Thorough quality control and superior customer service keeps us honest, and you happy.

### WE ADD VALUE.

Quality and affordability are an inextricable duo. We leverage available resources and flexibility in each of our client relationships to provide you with a cost-effective business strategy.

### WE MIRROR YOUR STRENGTH & DIVERSITY.

Steady growth pivots our relationships. Combining technical wisdom, quality control and ethical practice is our client commitment. We care about the people you serve because they matter to you.

### WE EMPOWER PEOPLE OVER PROFIT.

5 is a hopeful number. We respond to drug-afflicted communities by donating 5% of our total annual profit to local charities and initiatives worldwide. Money matters, but people matter more.

### AND OF COURSE, WE CULTIVATE GROWTH.

Zeynep Ilgaz fosters our lively, ambitious team. She calls us to act with creativity, energy and philanthropy. With our combined talents, we master channel partnerships and garner market opportunities.
